Methodist Episcopal Church

Even the bitter cold of Sunday morning failed to keep at home our people, and the church services were very happy ones.

On Sunday evening, after a union service of the Wayne

churches will be held in the Wayne

home of the Boy Scouts. Yes,

the Girl Scouts will be there,

Meeting at 7:30 P. M. in the

Community Center, the young folks a

delightful service. It will be

the tenth anniversary of Boy Scouts

in America.

The Sunday School has a class

waiting for you.

The People's Meeting for

Sunday evening, at 7:15, will

be held as usual, and at its close

the singing will be given by the

union service.

It seems nearly every home

house is sickened and the anxieties

are many. In God's plan

for the development of Christian

character, suffering is the tool

of the ministry of suffering. How

much of trial, and strife, and

test, and affliction, must we be

to be involved in the process

of character building, we do know.

These are the means we are to end.

They are a means.

All things work together for good

that those that love the promises

to any life when that life is con-

scious that the sufferings of the day

are for the glory of Christ in a divine purpose. What it is

we cannot see always, but we

know it is so. The trials of the present time are not worthy to be

compared with the story that

shall be told.

We may be other than in the pos-

session of earthly treasures when

we are the poorest of earth's chil-

dren.

CENTRAL BAPTIST CHURCH

day and Rev. E. W. Miller, of

Church in honor of the Boy Scout

Movement.

The American Missionary Soci-

ety of the Central Union Associa-

tion will meet at our church.

This morning, at 10:30 A. M.

will be a morning and an af-

noon session. It is hoped that

a good number of our members

will be present to greet our visitors.

given to the members of the home

of our members last Wednesday.

Next week we shall hold our

service at the First Presbyterian

Church, one week at the

church and the next week at the

home of the pastor.

Only one chance to hear that

good quiet next Sunday!

So be there.

The topic, "Our Pledge,"

proved to be a most interesting

one in our prayer

Sunday evening. Led by Mr.

Mitchell Tull, the young people

responded very favorably to the

teaching of the speaker.

How to live up to the pledge.

Participate in the meetings and

participation in the meetings will

continue.

The regular monthly business

meeting of the B. Y. P. U. was

held on Monday evening, February 10, in the church. Owing to illness, a number of our members were unable to be present. However, those who were present to discuss the many important matters before us, and to decide upon the program for the month.

The reports of the various committees were received. The Membership Committee had been at work, bringing eight new members into the church. The Scout Troop on Highland Avenue has proved to be a huge success under the able leadership of Scoutmaster, Sam, great work being done.

It was reported that the amateur dramatics were well along. "Fay" and "Till" were in the way and "The Girl Scout" was on the way.

Plans are already being made for the annual meeting of the church, to be held on the first eve-

ning of March. The Association has taken a leading part in the affairs of the church, and has been instrumental in getting the new organ installed.

The Association has consistently opposed control of our county by the Tammany Hall politicians, and has assisted in every campaign, political or otherwise, in furthering the public welfare of our community.

The Association successfully opposed the project to build a new bridge across the Schuylkill River, which would have been a detriment to the public welfare of our county.

The air heated is immediately utilized to heat the tallest, deepest, and most ornate rooms in the house. All the air passes instantly into the house after it has been heated.

A substantial saving of fuel is inevitable for the reason that the heat is not lost in cold air, and therefore much more quickly and economically re-heated to the necessary degree.
